“ To all of the Howie family....my heart is broken over the news of Ruby’s passing. I know, without a doubt, that my dad was one of the first to greet her when she arrived in Heaven! How they adored each other with my Mom’s and David’s approval! 😊 I cant begin to imagine how much she will be missed by all of you, and anyone who had the honor of meeting her. God’s peace to all of you. She left y’all with so many great memories!

“ *Ruby was such a precious soul. When I had the opportunity to be with her or talk to her, she was always full of love, joy and compassion. She always left our conversations with me feeling her love for me and all of my family. She will be missed but her light and love continues through her beautiful children and grandchildren. Praying Gods peace will be wrapped around you all as you walk this journey.*

“ *I have never known anyone quite like Ruby! We were next-door-neighbors so many years ago. Her children played with my children, and we all did stuff together. She was my joy when I felt none as well as my strength when I was too weak to carry on. She has always been by my side when I needed her. Her heart radiated hope and new beginnings to everyone. Her love was true, for her love was not only a feeling but was also an action. She was there to encourage, to assist and even manage, if need be, in difficult situations, to share everything she had, to enjoy everyone whom she was around, and so much more. She was loyal, loving, forgiving, honest, and real. She was my dear Friend. My heart is filled with wonderful memories, laughter and tears. She will always be a part of me.*
