“ *Melissa, Rick and the Babies. The time I knew your Mother was very meaning to me and I will not forget her Smile and Love of Life. My sorrow is with you all. She will be greatly missed, but just know she will be the wisper of the wind or the smell of rain, beautiful flowers and the song in the birds. Just think of her and she will be there. Call me if there is anything at all I can do for you. Amanda###imported-begin##Amanda Story##imported-end##*
