“ Grandpa Rawlinson, Just wanted to tell you how sorry we are for your loss. We know she lived with physical pain 24/7 and been ill for many years. No more. She's pain free...forever. Her suffering-over.

Grandpa, I'm glad to hear that she was able to enjoy the pictures I sent of her great-grandson, Erhis.

Grandma Rawlinson will be missed. She left behind a loving family who cared for her and truly loved her. A family who stood by her side to the very end.

Grandpa Rawlinson our home will always be open to you. Fishing is great here in Mongolia. Be great to have Erhis's Great-grandpa, Southern Gandpa (Kevin) and Grand-mother visit this side of the world.

I know Mother will make sure you're well taken care of. She's a good cook!!

Love you Grandpa Rawlinson,

“ Ruthus,

I didn't say it enough but I loved you dearly. As I sit here now having laid you to rest today the great void left by your passing is starting to sink in. In the last two hundred days you must have called my name a thousand times. Rather than consider this a burden I should have realized you were calling me out of love and devotion. I wish we had been able to wage a better battle against time and the disease that took you but it was not to be. You will always be in my heart. God bless and rest in peace.##imported-begin##Bob
