“ After a loved one passes, be encouraged by their passing and legacy. Instead of crying, live an inspired, spiritual and happy life like they did when they were here. Live each day with encouragement knowing that they are proud and smiling down on you from Heaven.

“ I am so sorry to hear of Ryan's passing. He was such a loving
person. I loved and cared for him as if he was one of my own. I will
always remember the talks we had in the swing in the front yard. I
will miss those talks. He was always polite and respectful. I can
hear him telling me when he left that he loved me. He would always
say I love you Ma Jane. RIP Ryan. Fly high with the angels.
