“ To the family. I am very sorry for your loss. I dont know you personally but I know that losing loved ones in death is a painful experience. Precious memories will help ease your sorrow. I have also been comforted by the promises found in the Holy Scriptures. John 5:28-29; Job 14:14; and Revelation 21:3-4 are three of the many that have helped me to not just cope, but to look forward, with strong faith, to the wonderful future that awaits us. My prayers are with you that these will also comfort you and help you through this difficult time.
