“ Sandra and Billy were very good friends to my late mother Sara Jacobs and were very loving and attentive to her before and after she went into a nursing home. Sandra was 25 years younger than Mother, but they developed a great relationship, and Sandra came and took Mother out to eat and shopping when Mother was unable to drive herself. Sandra was a very caring and loyal friend to Mother and our whole family over the years, and showed the true meaning of Christian love to all of us. God bless her. Kindest Regards,
Marcus Jacobs
