“ *I was saddened to read about the loss of your loved one. It reminded me of losing my Grandmother a few years ago. There are no words to describe such pain. I know of a brochure that gave me much comfort when I was in pain and I can get you a copy if you wish. It's called "When Someone You Love Dies". Then, maybe you can find some comfort and some answers from the Bible, after all, 2 Cor. 1:3 says in part: "Blessed be the God and Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort". If you would like a copy of the brochure, you can email me at tmmillard@yahoo.com and I will mail it to you free of charge.*

“ Sandy was a very gentle and loving soul. She was always smiling and always willing to go the extra mile. In all the years that I have known her, I never heard her say one derogatory thing about anyone. She never got mad. She doted on her children. It was always " Starr this and Starr that--" She loved Starr more than life itself. Above all, she was a devoted mother. She is missed greatly by all of us here at the Graniteville Post office. Our thought and prayers will be with the family Keith, please accept my sincere sympathies. Suman Madkan

“ I worked with Sandy at the Trenton Post Office. She always saw the good in people. She loved her children so much more than words could ever express. I pray that her children can find some comfort in the fact that you can all be reunited one day.

“ Sandy was a very sweet and soft spoken coworker that I once had the opportunity to work with when she was employed at the Warrenville post office. Although she may no longer be among us here on earth, knowing God has taken her home until we all meet again shall shine some comfort in this time of sorrow. My prayers go out to all of her loved ones, especially her children of whom she so much praised.
