“ *Mean-Ma you will forever live in my heart. I will miss you until we see each other again. We created some fond memories over the years that I will cherish forever from our long talks at any hour of the day even 3am to our times having breakfast at the Holiday Inn or Partridge Inn. You always took such good care of me and always had a loving kind word to say and made me feel absolutely special! I could not have made it through my wisdom teeth extraction without you. Ed and the yippee yap dog we thought you hit only to discover he was perfectly fine. We laughed until we cried. You were a beautiful woman inside and out and I love you more than words can say. Enjoy the eternal peace you have now. No more hurts no more pain only singing glory glory to your heavenly Father!!*

*Love Sissy!!!*
