“ For the family of Sara Carter:
Please accept our deepest condolences on the passing of our past SC Department President of the American Legion Auxiliary (1999-2000). We will miss Sara very much, especially her close involvement with Girl's State over the years. She fought a long and hard battle with her disease but remained always a most gracious and loving person. I spoke with her only this past summer at the reception for Girl's State. Thank you so much for the gift of her talents as past Department President of the American Legion Auxiliary in our state.##imported-begin##Dorothy F.
