Sarah was one of my favorite student employees at Augusta U. She always put a smile on my face. I remember when I interviewed her I asked, "if you were a tree, what kind would you be and why?" She said, without hesitation, "Oh, a Magnolia! Because they are beautiful and they smell so sweet!" Then she giggled. She won me over immediately. I send my most sincere condolences to her family. She was a true light in the world. Patsy Davis

“ This just breaks my heart to hear of Sarah's passing. I use to work with Sarah and boy oh boy she was a hoot- especially if she was running late to work and she practically ran in to the bathroom saying... "my eyelashes aren't on" " I think one is in the car" haha she was such a precious soul. She always had that beautiful smile and OH how she LOVED that Emma Grace.. I honestly believe in my heart she gave that little girl so much love Emma Grace will carry it with her ALWAYS.. Sleep well and in peace, precious Sarah and I am so so glad I got to know you..... Love, Judy
