“On The Loss of Your Mother”

*A smile,
A touch,
a gentle laugh
remembered,
a voice softly
whispered,
in the wind...*

*May the memories of your mother
held deep within your heart
help to soothe your spirit at this time.*

*I was truly sadden to hear of the transitioning of a very special,
compassionate human being. Ms. Guess was truly a Godsent - an
angel sent down from heaven for to do the world some good. I am
blessed to have known her and thank God I was placed in her path
to work alongside an angel.*

*Ms. Guess and I worked together at Dilliards. We would have such
wonderful discussions about family. I remember her speaking so
affectionately about all three of her children and especially the
grandchildren. I remember her encouraging me to be patient with
my new career in real estate as she had said her daughter Twila
was a realtor also. I left Dillards and went on to pursue a career in
real estate. That was a year ago and every day since, Momma
would call me to tell me Ms. Guess had asked about me. Momma
said she'd see Ms. Guess on her way to her locker at work and Ms.
Guess would peep her head around to the dock and she'd say with
a twinkle in her eyes and a great big ol' infectious simle, "How's my
Nikki doing?" Made my day as I could feel her warm spirit reaching
out to me.*

*Ms. Guess always showed care and concern for others. A virtuous
woman who always, always had kind words to say to every one who*

crossed her path.

To the Guess family: You are in my thoughts and prayers. May God comfort you during this time of grief.

Godspeed,

“ Dear Twila, Robert and Craig,

We are so sorry to hear of your mother passing. I was thinking about her last week and looked up on the internet to see if she was at the old address. I had planned on stopping by to see her next week on my visit to Ft. Gordon. It has been probably eight years since I last talked to her.

It is sad that we were all so close and have not stayed in touch through the years.

Your mother was like a second mother to me. So many memories of the years in Hodges and N Augusta.

She was a good mother and I know she loved her grandchildren just as much

My parents and I send the three of you and your families much love and our prayers through these days ahead.

Love,

Beth *##imported-begin##Beth Salley Traynham##imported-end##*

“ *My deepest sympathies go out to Ms. Sarah's family. I had the pleasure of working with Ms. Sarah at JB White back in 1992-1994. She was one of the sweetest and hardest working people I have ever known. I recall her talking of her children and grandchildren with great pride. May your hearts be light during this time of sorrow and your fondest memories of Ms. Sarah always be present. God bless.* *##imported-begin##Jacqueline Donaldson-Grey##imported-end##*
