“ Dear Glenn and Rose,

*I just reviewed the video representing your mother's life. She was such a lovely woman. I know she will be greatly missed by everyone who knew her. I also realize that it is little comfort to say that she is in a better place and is no longer suffering; however, sometimes just knowing that the pain and suffering are over can help us better understand death.*

*Please know that my thoughts and prayers remain with you.##imported-begin##CK Vanover##imported-end##*

“ Jewell is my dear Sister In law. She has always been there for me. She and Jimmie were the first to take a trip in the middle of the night to be with me when Ed died. I will always remember our Friday night "Shealy fix " dinners. as well as the shopping trip of my recent visit in March. One day I will be joining you dear Sister##imported-begin##Melba Cooper##imported-end##
