“ *Sandi was such a dear, sweet sister in Christ to me. I remember attending with her the "Friends of the Lamb" Bible study at Merriwether Elementary. She always had a word of encouragement for me when I was going through chemo. There were numerous times when she would just step into my classroom and give me a hug and say a prayer with me for my healing. I will miss her , but I know she has seen her Lord face to face and God has welcomed her as one of His most precious good and faithful servants.*

Joe, I was shocked to hear of Sandy's passing. Andrea, Sandy, and I went to Butler and they lived a block from me. When I returned to NA, I would see Sandy in the grocery store. The last time I saw her was at Benji Galloways shower, two years ago. She was such a sweet person and a much loved teacher at Meriweather School. My condolences to all the family.

“ I am so sorry for the family who lost such a wonderful woman. Mrs. Bunch was a wonderful person as well as a great teacher. Anyone who knew her knows what a radiant personality she had. The world lost a gift of beauty when she passed however heaven gained another beautiful soul. I will keep the family in my prayers. I knew Mrs. Bunch since I was about 5 years old and she was our room mother. She was my fourth grade teacher. She made a dramatic impact on her students lives. May she rest in peace.
