“ I have so many wonderful memories of Ms. Jones. She was my piano teacher for many years. I enjoyed coming to her house for weekly lessons. If I had a new piece to learn she would always play it for me first and I hoped I could play it half as good as she did. I still hang many Christmas ornaments she crocheted for her students on my tree each year. She was a very talented, loving gentle spirit. She will be truly missed.

“ I worked with Ms Sharlene in the preschool ministry of Warren Baptist church. She had such a sweet, loving spirit and was so gentle with the children. I will never forget her nor her sweet granddaughters who helped her as well. May the peace of Jesus be with your family at this time.

“ Jerry, Ross, Joy & Families,
How do we begin to share a memory when our lives are so full of Sharlene's smiles, laughs, hugs and love. God always brings together people for reasons and we know that we were all brought together for a divine purpose!!!

The friendship and love that brought us together as a family will remain forever in our hearts and lives as we joyfully remember the love we all share. Family is not only those that we are born into or may be related to by blood; but family is made up of those that truly share, love and care for each other. It is that kind of family we all became years ago, starting in Belvedere, SC.

There was always eating together, playing Rook late into the nights, volleyball on Sunday afternoons and attending church together. This special family friendship continued on during yearly summer vacations; special wedding anniversaries and birthdays that we still share today.

Sharlene was a devoted wife, mother, grandmother and friend but most important of all she was a born again believer in Jesus Christ which she shared with everyone she met.

The happy times to remember will be treasured forever and Sharlene will live on in our hearts until we meet again in heaven.

*Rest In Peace our sweet loved one,
Don & Blanche Pender, Wanda, Jim, David, Gary and our entire families.*
