“ Sharon was a great cousin and very caring throughout her life . She organized and had a fabulous birthday party for her mother, Aunt Fronie,,, a couple years ago. The Gathering was one of the largest for our family get-togethers which included cousins from California and many other states. Thanks to Sharon's loving and caring personality, we were all able to share in making happy memories. More recently,. I am very thankful that I was able to come for our cousins Christmas gathering and spend time with Sharon and Nancy... Even though Sharon was receiving treatment, she was there with a beautiful smile on her face.. she will be greatly missed. Love and prayers to you Aunt Fronie, Mike, and Nancy.

“ I have known the family for over 50 years and have always enjoyed Sharon's sweet and caring personality. In my visits the past two years no matter how sick she may have been she always had a smile on her face and I enjoyed talking and visiting with her. She will surely be missed. Thoughts, prayers and love go out to Ms. Fronie and Mike and her special cousins.

“ My father, Jerrell Humphrey thought the world of Sharon. He brought her back some sand from Holden Beach one summer. She mentioned that she would collect beach sand from different beaches. He thought that was so special. He trusted her with all his banking needs and they became friends. I of course went to school and grew up in Belvedere with this lovely, always smiling friend. Praying for the family. She will be so missed. Kathy Humphrey Blair and Family and Jerrell Humphrey
