“ I have so many, many memories of Shelby..She was the second Mother to my daughter Dana. She kept her while I worked..She went so far above what she had to do...We loved her so much. Even the years could not dim those memories. Bob and family, We love you and our hearts are broken.. Sandy Thomas-Cox and Dana(DeDe) Thomas rofocox@aol.com

“ I will always cherish my memories of Mama D. Growing up right across the street from her was always SO much fun! Her laughter and her smile were always so contagious. She would always tell you exactly what she thought, whether you wanted to hear it or not. She gave me my first job at Otasco (of course)...she taught me so much during those years. Especially, "Don't take no junk off nobody. Show 'em you know whatcha doin' and if you have any questions, just ask me!" I will always love you Mama D...now you and Daddy, "Richard" as you always called him, can sit on that front porch in heaven and watch over all of us!

“ Aunt Shelby was always the life of the party. If she was there you knew you were going to have fun! I didn't get to see her often, but when I did I always had a good time and a laugh! Knowing that she is gone is weighing heavy on my heart. Prayers and thoughts are sent out to my family. I miss her already.

“ Words can't express how our hearts are feeling at this time,the tears are falling, the pain is great, but there is still a smile there and I know you feel that to knowing Ma Shelby.She was a remarkable woman in every way.She left each of us so many special memories to cherish and to teach our own! She was so proud of her family,loved each of you and prayed for you often.God granted her wishes yesterday,she wanted to leave in the spring,go before Pa, and not linger around and cause a burden on her family, thank you Jesus for allowing this. I know she is in heaven already assigned to the be in charge of the gardens. Ma we will miss you, you were one of a kind,thank you for all the wisdom you taught us,the love you shared with us, and praise God we will see you again!
