“ We were so sorry to hear of your father's passing. Mom and dad still live in Apple Valley in Augusta. Their phone number is in the phone book. Dad Has lung cancer and had just gotten out of the hospital last friday. They do not get the paper or else they and I would have been there for you all. Michele, our middle sister died May 20, 2006 of cancer, she had been very sick for years. Please give us a call when you can. We have so many very fond memories of your family of when we lived across the street from you. Our prayers and thoughts are with all of you as you go through this time in your lives. Love in Christ as always, Micheala Peebles (I live on Apricot Lane in Augusta also: my phone number is also in the phone book under "Otis")##imported-begin##Michaela Tollison Peebles##imported-end##
