“ My thoughts and prayers go to Sheryll's family. I worked with Sheryll at SRS as an HP inspector. I respected her and enjoyed her sense of humor. God Bless.

“ Sheryll was the person who convinced me to get out of clerical and go into Rad Con many years ago. Because of her, I was able to support myself and my children after the death of my late husband. She was one of the most intelligent people I knew and always took the time to help me on my job and was an excellent teacher. She and I worked together, carpoled, and became good friends. To her family, especially Jonathan and Chelsea, I am so sorry for your loss.

“ I have known Sherry since I was 16 and we worked together at Rose's. She lived next door to me for years. I will miss her greatly and considered her one of my best friends. To Jonathan and Chelsea, I am so sorry for your loss. I know you will miss your Mother tremendously. May you find comfort in knowing that she is with God and is watching over you both from above. I love you both. Sharon Lynn (Ms. Sharon)

“ I have very fond memories of working with Sheryll when we first started working at SRS first in the mailroom, then the laboratory, and later on when she was in the training group. She was always quick witted and had a beautiful smile. May God comfort her family in the days ahead. She will be truly missed by us all.

“ Sheryll was my SRS coworker and my friend. Memories of her leave me with an indelible imprint. I find consolation in knowing her loving mien enriched and touched my life and the lives of others.

Have comfort in knowing she is not alone and neither are you.

“ My heart goes out to those closest to Sheryll, the mother of my only child. Love and all good things to Joyce, Bill, Jonathon, Greg , Gary, Deanna, T.C. & Shari...Sheryll was loved by many..in many different ways...She bore my little angel Chelsea and for that..no one can have loved her more than I do. Now, she is at rest and at peace...in the arms of the angels...Love, Michael Brodie
