Mom and Dad raised us to have principles, standards, and morals, independent and stand up for ourselves. Mom made sure we knew God; that we went to church to understand what that means. She worked in factories - electronics soldering parts, Stokely Van Camp summers. She was a great cook and seamstress. She sewed some of our clothes; shirts, dresses, caps for Dad. Dad worked construction all his life as a welder. We could always talk to Dad about anything. He always had good advice. He had an innate goodness about him that I will always remember. He would say "a job is not worth doing unless you do your best". As a family we enjoyed camping, water skiing, fishing and just being together and loving each other. To this day we are still a close family. I will cherish all the time we had together!!

To Shirley's Family,

I am so sorry that this message is so late. I was so happy that I had a chance to get to know Shirley and most of you on our visit in 1997.

Our stay at Shirley's was a highlight on the coast to coast trip Bill, Shirley's brother, Bill, and I took that year as we relocated from CA to WI. We were able to park our motor home near Shirley's house and so we got a chance to enjoy the beautiful woodsy setting and see her wonderful garden. A supper that was held at a restaurant was also a highlight of that stay. That night we got a chance to meet most of you.

We received word of Shirley's death the same day that the family was in Hustler for Bill's funeral and Celebration of Life.

My love goes out to all of you at this sad time.

Leah Day, Shirley's sister-in-law
