“ *Jerry, I had the pleasure of working with Shirley at the school district. We shared many good times together. When Jody was a toddler, I stayed with Shirley several nights when you were away. I'll never forget those evenings and the laughter at things only Shirley could say and do, and I will always remember her wit and her compassion for others. We lost touch and I tried to locate her when my husband retired and we moved back to Aiken. I am so sorry to learn of your loss and pray for peace and comfort for you and your family. I was Ann Smith when we worked together and am now Ann Smith Humphreville.*
