“ *To Shirley's family...I'm so saddened to hear of Shirley's passing. She certainly was a kind and lovely lady. We bonded over our love of horses and for several years enjoyed a whole lot of trail riding with our friends in ALL types of weather. We didn't care...it was a fun and happy time. I even ended up purchasing her horse & every time Shirley was in town she came to have "another good ride" as she called it. Those were great times we had and she was a big part of our love for horses. RIP to a special lady I am grateful to have known. Pam Hayes, CT (formerly from Dexter)*

“ Laurie, Chip, Jeff and families, I am so sorry for your loss. I have great memories growing up with all of you and your mom. She was always humming while she did things around the house. I'm sure Laurie and I got in her way a lot! She would try to yell at us to get out of the house, but we would make her laugh, still shooing us out. And watching her leave in "the titanic" to go horseback riding wondering if she would need a ride home!
Love and Prayers to all of you
Friends always

“ I remember the many days spent at the house on Indianna Ave in Watertown. So many days running in and out causing trouble I am sure. Aunt Shirley always had a smile ❤️❤️ I am so sorry for your loss she was a beautiful person inside and out. Love you all.
