“ I remember Shirley in my years at Aiken High School. She was a fine person, I ran into her at the doctors office several years ago and we talked about both of us having Rheumatoid Arthritis. I saw her last at our 50th Class reunion. She looked great. I am so sorry for your loss. My prayers are with you.,

*This was taken in the late 90s. Shirley Ann (my 1st cousin) did the planning and pulled this altogether for a birthday party and family dinner for our parents who are twins (Earl & Pearl). We have lost several people in this photograph since, who are now having their own joyous get together.*
