I was looking for Tina on FB and came across her Mom's funeral from last year. I'm sorry your Mom passed away. She was a lovely lady when I knew her. I loved coming to your house and hanging out with you and your parents. Please get up with me if you feel like it. I have missed u over the years. I'm under Teri Gray on FB.

“ *When Jeff and I got married Shirley and Chappy worked so hard with my parent to give us the most beautiful wedding reception.*

Growing up we usually saw Shirley, Chappy and the kids every other week or so and we always had the best time together. We would laugh and talk and just really enjoy each other.

Our freezer was acting up and we had some fudge popsicles that Moma and aunt Shirley ate to make sure they were okay before they gave them to us. After that it was a running joke that Moma love aunt Shirley so much she fed her poison popsicles.

To my extended I am truly sorry for your loss. I know she will be missed and I know she will always be loved. Jeff & Robin Day

“ My aunt Shirley was like a second momma to me. Spending my summer breaks with Shirley and Chappy there was never a dull moment. We seemed to always find trouble one way or another. One time we rode a mini bike, I was little so Shirley could reach the ground and I worked the gas. Needless to say that was a bad combination. I always loved them, Shirley will be dearly missed. My condolences to the family, as time went on we don't get time to see each other much. I want you all to know that I think of you all a lot.

I was a good friend of Tina's in the late 60s. I loved going over to her house because I loved being around her family. I always had a great time. I thought about them a lot over the yrs. I did get to talk to Mrs. Swartzlander once in the mid 2000s when I was looking for Tina. I'm sorry for the families loss.
