“ *I worked with Sid on Outreach ministries for years and had many conversations with him. He was always faithful and pleasant. I know he had some problems with knee replacements and knew that he suffered pain but he never complained. He was a friend that will be missed.u*

“ Sid and I served together on Saint Paul's Church Outreach Committee. Sid and Tallulah were faithful volunteers for all Outreach projects, and also for Tuesday Music Live events.

Sid always had a smile on his face, and a good sense of humor. I never heard him complain.

He attended Church Services regularly as long as he was capable of doing so, and was always available to assist when asked.

I am honored to have enjoyed his friendship and his company.
