“ *Smiles and Laughter, served with a cup of Caring. What a Blessing to have been invited into her world, treated as one of her own. What an ability to encompass and to blend those Colours into the meaning of Family. My Life, My Outlook and My Understanding of Compassion are by Her, Enriched and Magnified. Life surely is an Adventure, with all the winding paths and obstacles that we encounter in every passing second, Mom holds the Guiding Light to Safety. Why, you do not even know what will happen tomorrow. What is Life? We all are just a Mist that appears for a little while and then Vanishes for some and Yet remains so clear and Visible for others.*

I am thankful that our paths crossed and we were able to walk along together for a while. Why would anyone light a candle and put it under a tub? But rather that candle, burning Brightly, is placed upon a stand so that it might bring Light unto the Whole of the Room. Your Candle is Surely Burning Brightly and watched over as the Day Closes and the Knight Begins. Blessings and Thank You for the Memories, As Always....
