“ I met Sonya when she started working at Bridgestone in 1999. In the last 20 years we went from co-workers to best friends. She is a very special person with a sweet soul. We have laughed until we cried. So many adventures, stories, and secrets. The picture I selected says it all. She will live on in my heart until we meet again.

“ Kevin, family and friends,
Lots of great memories shared with Sonya over the last few years up until her illness. She was one of the kindness girlfriends that I have ever had. She will always be remembered and missed. She shared with me how much she loved you Kevin. May the Lord comfort and strengthen each one of you now and in the coming days
