“ Prayers and condolences to the family. I just saw her a few months ago at Polk Tire after not seeing her for 25 years. We picked up in conversation like it was just yesterday. Always fun to be around and so sweet. She will be missed.

“ I remember birthday parties and pinata parties at her grandparents house, watching her receive her high school diploma from Midland Valley High School, going to visit her in Sumpter SC while she was in the Air Force. She always had a smile on her face .She will be greatly missed by all that knew her.May her soul be at peace now with God and her granddad Shiver and all those that have passed before her.
