“ I was just listening to They Might be Giants (a band Ms. Steffanie got me into), and started thinking about her. I was not always the world's greatest friend to her, and I know that she had her problems, but she was my friend. I do miss her. I only found out she died through mutual friends. She has been gone for some time now, but that doesn't mean it hurts any less. Rest in peace (Requiescat in Pace)

“ I'm so sorry I wasn't there. I found out today. The world just became a little smaller, a little colder. It seems like just yesterday when she would catch a ride home after track practice. I miss her.

“ Steffanie was a friend in high school. She was nice to me when not many people were. I remember her dancing outside of the school to music only she could hear. I am so very sorry that I am just learning of her death. She was smart and witty and willing to be herself in a world where it is very difficult to not be just like everyone else.

“ Liebe Helga, lieber David,
die Nachricht von Susanne über den Tod eurer Tochter Stefanie hat mich betroffen und traurig gemacht. Bei unserem jährlichen Treffen hat Susanne oft von Steffanie erzählt und so habe ich sie in mein Herz geschlossen. Dank eurer Bilder habe ich sie jetzt auch vor Augen, die schöne Steffanie. Wenn die Kinder vor den Eltern gehen, reißt das ein besonders tiefes Loch. Ich denke an euch und sende mein herzliches Beileid in alter Verbundenheit

“ Helga and David, I just heard of your terrible loss here in Easley, S.C., and I wanted to send my sincerest condolences. I spent time with Steffanie in the teachers' lounge at Johnson, and she absolutely blew me away with kind, sweet, and caring demeanor. Goodness emanated from your daughter as light comes from a candle. I'm praying for you guys in the days ahead. Take good care of each other.

“ Dear Helga and David,
I cannot find the right words to express my shock and deep sadness about Steffanie's passing. I will always remember her as the bubbly, witty little cousin with the most infectious laugh I have ever come across.

Steffanie will forever remain a part of our family and will continue to live on in our minds. I trust that she has found now what the world seemed to deny her at times. My thoughts are with you at this difficult time and I wish we could be there to support you.
