“ Steve and I were sitting on my sofa when a cop barged in my back door, threw me to the floor and slapped cuffs on me all because a deal I had made with a man on an rv camper. The bank stamped my check NSF with \$25k in my account thus allowing the d.a. to swear a warrant that only the mean man knew of. Thank you Steve for visiting that day as you became my hero for driving my car to Union County when I bonded out. It wasn't funny at the time because we both were shocked but became funny later. Many good times at Wild Bills and the paper runs. Gone too soon. Now I'm shocked again. See you on the other side.

“ Just need you to know how much you were loved by so many. You blessed me and I'm thankful you were a part of my life. Long talks Singing in the truck when I would rid along for those paper routes, my first Nascar race(even though you loved Jr and I Greg Biffle) sharing stories of your times as a paramedic, wow our lines of work were almost alike. Making fun of me cause "you drink cold coffe! Thats NOT coffee". Giving me a place to stay, even if I insisted I drive back to NC. God I'll miss you and cherish every memory we shared. Love you so much. And ill miss you just as much.
