“ *It's hard to put into words what Stevie J meant to us, but his impact on our lives is something we carry forever.*

The night my husband and I met — a night that changed both our lives — it was Derek Thacker and Stevie J who helped bring us together. Inviting us over, encouraged the night to keep going, and gave us a space where a simple moment turned into the beginning of 33 years together. Without him, who knows if we would have ever given each other a second thought. Stevie J was making memories, and unknowingly changing lives with his generous spirit.

To Stevie's family — we send our deepest prayers and love. May you find comfort in the memories, strength in each other, and peace in knowing how deeply he was loved.

Rest easy, dear friend.

“ *There are not words to express my sympathy for the families. Stephen and I were very close friends, same cars, enjoyed cruising, and eventually both of us took up the same trade of paint and body. We had a lot in common..... i will truly miss his friendship and see you again one day my friend.
We love and miss you,
