“*Stephenie impacted my life the moment I met her in elementary school. She was so kind and compassionate..always smiling..laughing. We would play in the water hose like kids and lay out in the sun like grown ups lol. We could pretend like nobody's business lol. We reunited just a few years ago and she hadn't changed a single bit. Such a beautiful soul inside and out. She will be deeply missed by so many others. She was an angel in life and now she is an angel in heaven continuing to spread her love among us all. Keeping her family deep in my prayers. ❤️❤️❤️*
