“ I'm thinking of my big brother Steve; he would have been 56 today. Remembering how his whole face and eyes lit up when he smiled brings my heart some joy this morning.

“I am the resurrection and the life. The one who believes in me will live, even though they die; John 11:25

“ Growing up Steve was the classic big brother. He watched over me, he was always there quick if I needed him, he let me hang out with him (never had a problem with little bro tagging along), and he gave me a few cuts and bruises along the way.

Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort, 2 Corinthians 1:3 (NKJV)
