“ *I loved Susan and truly will miss her. Susan was beautiful and kind both inside and out. She was a fun person to be with and we had many a good laugh together. It is so hard to let go, but I know she is at home with the Lord and basking in all his glory. Susan, you so deserve to be with the Lord for you have suffered long enough. It must be so wonderful for you. I hope to see you again in all that splendor. I will always have a place in my heart for you. You are finally at peace, my friend.*

“ Dear Maynard and Burden Families,

*We are truly sorry for your loss and greatly saddened by Susan's passing. We have called Susan friend and co-worker for many years. Susan was a kind, gentle, spiritual woman and is, without a doubt, now in the presence of our Lord, Jesus Christ. We know that your faith is strong, and we want to encourage you to hold on to it. Faith is the evidence of things unseen. Even though we can't see a reason for what has happened, we can have faith that there is a reason in His plan. Our prayers are with you.*

“ Ms. Susan was a wonderful woman that I had the pleasure of being neighbors with. She always smiled and said hello. She decorated for every holiday and made it a point to show my little boy her new blow up turkey at Thanksgiving. She will be missed dearly and forever in our hearts.

“ I will miss you my BFF. Go rest now and be with your Mama and Daddy whom you miss terribly and dance with the Angels. Bask in the Spirit and Presence of the Lord. Be happy and healed from head to toe. Be free.

As much as I wished I could have just one more day, one more hour or even one more minute with you to tell you how much I love you and what your friendship meant to me...I am at peace knowing you are with our Jesus.
