“ When I married my spouse Jenny, Becky was kind enough to officiate our wedding. Becky was an amazing presence in my life from the start. She and I catered multiple events in the Augusta area, and had so much fun together. Becky had a passion for food and a natural talent for customer service which engaged the guests and made them feel comfortable. I will truly miss my friend, family member, and co-chef. We love and miss you deeply Becky

“ Becky was my roommate at Brigham Young University. We shared the love of sewing, designing and pattern making. She taught me how to make the best chicken enchiladas with steamed broccoli to make it healthier. We laughed and cried over dating, and overall love of the devotionals, scriptures and just having fun at school! I will miss you dearly my long lost friend. May you find my mother who passed a few yrs ago and give her a big hug for me... We shared many stories about you and our experiences together as roommates. All my love forever 🤗 Cathy Anne Masters Cottle

One was one of Becky's many young women in church youth groups. We were not always an easy group to work with, but Becky always kept us on toes.
Working at the homeless shelter together and toilet papering houses are some of my fondest memories with her.
I can only imagine that she was greeted by her Dad on the other side.
Til we meet again Becky ❤️

“ Words cannot express our sorrow over losing Becky. She was one of the best co-workers I've ever had. She is so missed by her HR family here at Piedmont Augusta. We quickly bonded over cooking and crafts and had the best time decorating the offices for fall. Five months was not enough to prepare for the sting we are experiencing today. Smith Family - you are in our thoughts and prayers.

“ *Becky was one of my favorite people. I served with her when she was Young Women's President in the Montgomery Village Ward. I was her councilor in the presidency. We did girls camp together for several years and she always worked to make girls camp one of the most spiritual experiences possible for the girls. We had the funnest time and made such good memories. Our ward camp were the secrets elves who secretly brought treats then did acts of service for each ward camp in the stake. One of our best was when we cleaned the Latrines for one of the wards when it was their turn. We planned the best devotionals each day and had a spiritual theme working to help the girls gain their own testimonies. We even had a spiritual tent where the girls could go to reflect and pray. Becky always went above and beyond in anything she did for the girls she was an excellent and very loved young womens president. She was always doing things to lift the spirits of the girls and help them move on with life! We will miss her. She was a very special person and good friend. We love you Becky, I'm sure you will have much needed work to do on the other side! Rest In Peace!*

“ *Becky - my “work bestie” at JMS- was such a good, true, and loyal friend. She was always quick to laugh and offer a smile! She was smart and talented- and ohh her Christmas caramels!! I will think of her often and I surely consider myself blessed that we forged a friendship. Bestie- I will miss our long talks about God, faith and family- and music!!! Sending love and prayers to the family 🙏.*

Becky is the daughter of my dear friends, Sam and Sara Jane Smith. I worshipped in the same congregation with them and with Becky for 7 wonderful years. She was always there, wearing a smile and presenting a lovely appearance. She left us all too soon. Her family will feel her loss keenly. I wish to express my condolences to her family remaining. I am sure her father, Sam Smith, is thrilled to have her in his arms again. You all are in my thoughts and prayers.
