“ Craig, I love you and I'm sorry that you're having to go this. I have wonderful memories of times with you two on the lake. That dear woman you married had more endurance than any other creature, man or woman, that I ever skied with, and that includes more than a few! She was a sweetheart and I always enjoyed being around both of you. The Lord comfort you and give you peace, my friend.

“ Susan and I worked together at Baker. She gave me beautiful Hydrangea plants from her Dad's yard, and even brought them to my house, in the North Ga mountains! I still have them, and the memory of her warm smile and thoughtfulness. I will think of her every time they bloom. She will be missed by many. My condolences to her family.
