“ I have known Taft for several years (booking his casino trips). He was friendly and polite, and he always enjoyed his casino trips. I was fortunate to have spoken with him on Friday, and he was ready to plan another trip. I will definitely miss talking with him. Prayers to his family and Marvis. 🙏😭

“ My husband and I have known Mr. Taft over 6 years, He is a kind hearted, loving, hard-working, & very very very lucky man. Mr. Taft is the first man that I know that have so much knowledge about everything from sports to personal life experiences. He is very well known & liked in our salon. When he comes in to tan, our clients thinks Mr. Taft is our boss or owner because he would speak to us and our clients. We tell our clients he is the boss. Mr. Taft would come in to tan during his lunch break, the problem is that my husband & Mr. Taft talks so much (at least over an hour), that he ran out of time to tan because He have to go back to work. Mr. Taft and my husband talks so much that I think they are cheating on Mrs. Marvis & I. (lol) This usually happens like at least 2-3 times a week. I have to say I don't think I will ever meet a person like Mr. Taft again. It was truly a pleasure to have gotten to know Mr. Taft Sessions. He will be missed dearly.

Taft was my (ex) brother in law Roberts father. I still consider Robert & Heather & Blake family. Taft was an exceptional man, always there for his kids and grandchildren. He will surely be missed by so many! Gone to soon. Rest in peace and prayers for the family
