“ Ted was such a special part of our swamp pack at Brick Pond Park, and it will never feel quite the same without him there with Rusty (or should we say PITA) keeping us all entertained. It was a running joke with him to introduce his dog as PITA for Pain In The @ss. 😂

I pray the family finds comfort in all the memories — the laughs, the stories, and the time spent out there together. He was truly one of a kind, and he'll always be part of those swamp days with us. Sending all so much love. 🙏❤️
