“ Remembering Terry and thinking back to all the Christmas luncheons and gifts he so generously gave to his Aiken County Finance Department employees. Every Christmas I find the ornaments he made for us with all our names listed and it always reminds me of him. Even years later, Terry and Susie were so gracious to open their home to us former employees so we could reunite and make more memories. These gatherings will be missed, but more importantly, Terry will be missed, but not forgotten.

*With sincere condolences,
