“ Terry was such a loving and talented friend. She taught me to relax by coloring in books and supplied items needed when we traveled together. She put such cute messages on Facebook so fun to follow her journey and her positive outlook. She is now celebrating with the Lord and walking the streets of gold and filling heaven with her beautiful music. 🙏 for John, Rhonda, Harrison and the rest of her family. Dolores Lindley

“ *Fond childhood memories that continued for over 63 years. I could always count on Terry in the good and bad times, in the happy and sad times. She always had my back and guided me through some difficult times. During one tough time Terry called me and told me I was coming to her house. No questions. No discussion. I stayed a month and we had a ball just being together. Terry was my best friend and I will love her and look forward to being reunited with her in Heaven.*
