“ *I have been trying to get a hold of him following the holidays. So Sorry to hear of his passing. We just met last September when he towed our trailer from Savannah to Augusta for us. I rode with him and by the end of the trip, it seemed like we were just couple of vets that had known each other for years. I am greatly going to miss spending the summer fishing and talking with him. R.I.P. my brother. John Ray*

“ *David you will always be in my heart, you were one of the best friends I ever had. I only wished I had told you this when you were here, but I believe you knew how I felt about you. We had such good times talking and fishing together. I know you are with God now and won't be sick and hurting anymore. I will see you one of these days and perhaps we will be talking again. Love you and miss you. Janey Weston*

“ Sending the family hugs from Nebraska. David (I always knew him as Cornbread) was an amazing person. He helped my dad harvest a few times and was a friend of my family for years. After he moved he'd always post the neatest things on my Facebook page and send the nicest comments. He always wanted some of his Nebraska friends to visit him in Georgia - wish we would have! Prayers to you all.

Rest in Peace Uncle David. I still remember coming down to GA with dad, Johnnie, and granpa Frankie and rabbit hunting with the beagles as a young boy. I even remember a few trips that included Uncle Jimmie and Uncle Dudley as well. Over 40 years ago, but it's a memory I can still recall. I wish comfort and peace to everyone who will miss you.
