“ *My sympathies to the Greene family at this difficult time. I had the pleasure to interview with and work under Tom in my early career at SRP/SRS. He was a wonderful manager and greatly encouraged and supported those under him. We also had occasion to talk about church and being Sunday School teachers at our respective churches. My prayers for his family, children, and grandchildren. Heaven has welcomed home a faithful servant.*

“ Tom Greene was a pivotal person in my life. A great man, leader and Christian. He always had a listening ear and Christian heart. I will never forget the best boss I ever had as the Executive Director of North Augusta 2000 for over 12 years. His love and compassion of all people and especially of the North Augusta Community. We shared that vision. Gone but never forgotten.

“ My memories of Mr. Tom was of him coming to get his haircut with me every 4 weeks for several years. I would always mark out extra time to cut his hair because I enjoyed talking with him so much . I told him we would have church when he came to see me . He loved to talk about the Bible and his savior Jesus Christ and the miracle God had done for his daughter Lynn . I sure missed him when he moved to North Carolina. So sorry for your loss . Praying for the family.

“ *My first memory of Tom Greene was as my Sunday School Teacher at FBCNA. Later I had the fortune to work for him at SRS. He was the same man in both situations. Tom gave me career opportunities and an example of leadership that I wanted to emulate. I owe much to him.*

*I extend my sympathy to his family but I know where he is today. I thank God for men like Tom Greene.*
