“ To the Hall family,  
I'm so very sorry to hear of Tom's passing. I am a cousin located in Maryland but at one time lived in North Carolina. I fondly remember spending time with Aunt Ivy, Uncle Boyd and family at the lake. I also enjoyed talking with Tom on Facebook.  
He will be missed by many. May god keep you close and always remember Tom is now in heaven watching over you.

I know Dan will rejoice to have you in heaven. You are the one that talked him in to coming to Windsor. My prayers go out to Phylis and your family. *“ Phyllis, and family,  
My heart is in deepest sorrow over the passing of Tommy. He became a fb friend in the last few years, each morning that we chatted was a blessing to me. I know that he is well received with open arms from Jesus, and the parents that he loves so much in heaven. He will receive the new body that many of us look forward to much sooner than us but we will join him someday and rejoice together. May the LORD comfort and strengthen each one of you now and in the days to come. He will be missed by me each morning on chat, until we meet again .*

“ My Daddy was a wonderful man who made an impact on everyone that he came in contact with. He was the most important man in my life and was always there when we needed him and even in times when we didn't think we did. The song by Holly Dunn "Daddy's Hands" best describes the way he was with us kids and grandkids. He was a great man of faith. He will be greatly missed by all who knew him.

Phylis I cannot tell you how much my heart breaks for you and the children. .  
I already miss being able to call Mr. Tom to help the boys with things that needed fixing here.. I will never forget the first time I met Tom when he came to help us get settled. That was 24 years ago. Rest in peace my friend.
