“ *I will choose to remember the good times and try to forget the bad as hard as that might be. You were loved whether you knew it or not and were missed long before death took you away. . You gave me my nickname, my love of art, books, theater and movies and helped mold me into the defender of civil rights that I am today and I will always be thankful for that. May you rest in peace Uncle Ticker, Your niece "Tootie Bug"*

“ Please accept my sincere sympathy on the recent loss of your dear loved one. You are all in my thoughts and prayers. May the God of comfort be with you in this time of sorrow. May these words bring you hope, "And he will wipe out every tear from their eyes and death will be no more, neither will mourning, nor outcry, nor pain be anymore. The former things have passed away." (Revelation 21:4) This promise will be fulfilled one day, until then, may all your memories sustain you in the days to come.

*I loved you from the day you were born and I loved you still, no matter what. You made a choice that was not easy for us, but we honored your choice. I only wish you had shared the reason for that choice before you left us. You missed so much and would have been so proud. R.I.P.*
