“ Bill, my thoughts are with you and the family. I woke this morning thinking about Barry and knew there was a reason. Your mom was always gracious, thoughtful, and caring. She will be remembered well.

“ My Mother, Dolores Wall Winslett spoke often of Thomasene and growing up in Augusta. I am sorry to hear of her passing, somehow the world feels even smaller. But I know these two are once again gossiping and laughing together.

“ *As a child I always remember my mother telling the story as a very young child that Thomasene arrived into this world in Dr Carson's black medical bag. The truth was Thomasene was born at my grandparents house in 1929. My mother was only 4 yrs old. It amazed her that babies came in Doctor Bags!*
