“ Dear Family,  
We deeply regretted hearing of the loss of Tim. My sister and I share fond memories of Tim from our youth, even though, we have been separated by distance for years. We can sympathize with what you are currently going through since our mother, Julia (Phillips) Black died earlier this year.

Our thoughts and prayers will be with you and your families. God bless you.

With regards,

“ Dear Sheree and Chris and families-

*We are both so very sorry about the loss of your Dad. This is such a heartbreaking time and we only wish we could be there to show our love and support. Tim was called home much too soon but God has the plan for all of us...but I am so very sorry he had to leave you now. Just know that in time some comfort will come and just remember the good moments and memories you had with him. I know he was proud of you both...he is with his eternal family now, his Dad, Mrs. Hawkins and Gary and Linda...but he will always be with you the rest of your lives. I wish that I could hug you both right this minute and tell you it will be alright...it will be in time. Know that Terry and I and Nanny and PaPa would be there if we could but will be thinking of you now, tomorrow and as the days pass. The Lord will give you the strength and love you need at this time and as time goes by. I am sorry for Tim and the things he will miss with his family...but he will see your lives and know that you will be okay...he will be okay too...he's home.*

*Love always and in constant prayer for all of you...*
