“ I am deeply sorry to hear about Tim's illness and death. Tim and I were great friends from the time I moved to Ware Shoals for sixth grade, through high school and also a year as roommates at Carolina. We were also in the Boy Scouts together. I have a lot of great memories of those years. Even though it's been years since i've seen him, I will always consider Tim as one of my best friends.##imported-begin##Alan Crawford##imported-end##

“ Tim was a close friend of mine in high school and we were both proud Eagle Scouts in troop 902 in Ware Shoals. I am very saddened by his passing and my heart and prayers go out to his family at this difficult time. We had so many fun times together at summer camp and on troop campouts. One of my favorite memories of him was a experiment we did for Pschology class in high school. We painted big red dots on our faces and arms and went all around Greenwood, S.C. to see how different people would react. What a day we had and we got and A on the project! He was a very special person and I was blessed to have known him.

God bless you Tim.###imported-begin###Douglas Robinson,

If you have time, I would LOVE for you to compile your memories of you and Tim in school and especially in the scouts. He was so proud of being an Eagle as he/you should be. Thank you for this kind note.

“ Cindy - in the short time I worked with your family at Miller Printing I came to respect and admire Tim and to appreciate his always positive attitude and upbeat outlook on life. I always looked forward to a day in the office with Tim. It wasn't until I learned of his illness and started following the CarePages updates that it began to be clear to me what a remarkable and special family the entire McNeill family is. I am in awe of the grace, dignity, strength, faith and tremendous love with which you have all dealt with the last 3 years. I have learned much from you and am honored and humbled to have known both you and Tim.

“ Dear Cindy, even though I only know you a little bit through Lyn, my heart goes out to you and your family, I can only imagine how hard this must be. Please know that I'm praying for you. What an awesome testimony he has though and how awesome to be reminded that there is a reason for everything and that some good always comes out of something bad. I never knew the story about how Tim came to know Christ as his Lord. Praying that God will give you the strength you will need in the days ahead.
