“ Tina was my very best friend. We shared years of pre-teen and teen experiences and had fun doing anything and everything together 😊 I loved going to Tina's house and seeing the rest of her kind family...they always invited me everywhere which included family visits to Defiance, OH on Sunday afternoons. I loved playing card and board games at her grandma's trailer and having a piece of pie and of course, driving everyone else crazy giggling about everything. Tina's family moved shortly after we started high school to SC. I was devastated. She and I shared a special bond however, that even miles away couldn't destroy. I loved her so much and will always hold our memories close to my heart.

“ *I was looking back at Harlie and Avery's wedding photos. It made me smile and laugh to see the pics of Tina and me exiting down the aisle behind the wedding party. We were cutting up and dancing to the Michael Jackson tune. We were about having a dance off. It was such a happy day. I deeply regret that I will not be able to get to know Tina better. She will live on and always be reflected in her loved ones who remain on this side of eternity. God bless and comfort them all.*
