“ Memories I share with Todd as a Richmond County Deputy working with him at 4:01 he became a brother of mine someone you could depend on when things went south. I would always cherish the memories of that shift. Rest in peace until we meet again.

Todd meant so much to so many people. He will truly be missed.

I met Todd years ago through the Augusta Jaycees. He was always there for his friends and family whenever they needed Him.

He met his wife Lisa through their involvement in the Jaycees.

Having known Todd, since we were in our 20s. I can tell you, that Todd lived his life to the fullest. He was adventurous, and always willing to lend a helping hand.

He was a great friend, a loving husband, a proud father and grandfather.

Rest now, my friend. Until, that joyous day, when God will reunite us all together again.

I'll always remember your laugh and generous nature.

I love you, and I will miss you, buddy. ❤️
