“ *To the Family of Tommy Kaney.
I am real sad to hear about Tommy. He was such a fine and wonderful person. I remember Tommy from the late 70's in the X-ray Department at University Hospital. Lot of times he would walk through Steno and would always speak and be very pleasant. I could pass him in the hallway and he would always have a nice smile and be real courteous. I thought so much of him and what a nice gentleman he was. My prayers and thoughts go out to all of you, and I extend my deepest sympathy to you. May the Lord lift you up and give you spiritual guidance and love during this most trying time.*

*Love in Christ
