“ I have had the pleasure of working with Tony for the past 20 years. We shared a birthday month with him being 20 years my senior. He always had a smile on his face and would make sure you were having a good day! I sure have missed him being in the office and will continue to miss him daily. I will keep his family in my prayers in the coming days as they lay Tony to rest. I know he is at peace, but TTX SRD North Augusta will not be the same without that SMILE!!! RIP my friend.

“ Compared to the others who work at TTX, I knew Tony for only a comparatively short time. He became a dear friend whom I could count on to make me smile on the worst of days, just by being himself. My thoughts and prayers go out to Victoria and his family. I pray for comfort and peace for you Victoria, during this very difficult time.
